FATHER'S DAY

Today's readings are especially timely at this point of the year. Two of the passages concern nature, specifically the growth of large trees and plants. As we head into summer, we can appreciate the shade from an expansive, leafy tree. On this Father's Day, a sturdy tree that provides shelter and comfort may remind us of our own father or fathers we know. Like trees and plants during the summer, like fathers who love us and care for us, the seeds we sow and nurture grow slowly and steadily, producing fruit that builds the kingdom of God in our midst.
