**God Calls Us At Different Times & Ways**

Today we celebrate the two principal apostles of the early church, Saints Peter and Paul took two completely different routes to their vocation. Peter was called personally by Jesus, traveled with him during his entire ministry and became the preeminent disciple among the Twelve. Paul, on the other hand, persecuted the early church until he was called and converted by the Risen Lord on his way to arrest Christians in Damascus. May these two saints remind us that God calls us all at different times in our lives and in different ways.

She prayed unceasingly for her lax son, who not only turned his life around and committed himself to Christ but became one of the great Doctors of the Church, Saint Augustine.
